Imam Husayn (peace be upon him), the grandson of the Prophet Muhammad (peace be upon him) stood for truth, justice and freedom at the time of oppression and falsehood some 1400 years ago. His stance paved the way for many great future leaders and human right upholders to use him as their role model. This year our focus will be on the concept of **Freedom** which will be discussed and presented on this Inter-faith Husayn day.

This invitation is for all the family but confirm your attendance. **Confirmations may be e-mailed at [admin@hujjat.org](mailto:admin@hujjat.org) or by telephone on 020 8954 6247 or fax 020 8954 8028.**

### **HAITI EARTHQUAKE RELIEF FUND**

The World Federation in partnership with The Africa Federation, the Council of European Jamaats and NASIMCO is launching the Haiti Earthquake Relief Fund. Haiti is living a great humanitarian crisis where about **5,000 Muslims** live. The World Federation learned that there are about **100 to 150 Shia** Muslims in Haiti – where about 20 families live in Port au Prince and more in the city of Leogane. Our brother who survived the earthquake reported that the Al-Mahdi Centre in Haiti has been flattened by the quake and 7 children have lost their lives. Most of the Shia families are now homeless. The World Federation will be working with our contacts that have provided this information to determine how to help these families and is appealing to all Shia Muslim communities around the world to donate generously.

The World Federation is working on proposals which focus its relief efforts in Haiti on the medium to long term aid. Immediate assistance for basic provisions such as food, water, clothing and shelter is already being provided by many Governmental and charitable organizations. Once these proposals are finalized, we will share them with the rest of the community through our newswire and website.

The World Federation is deeply distraught and concerned about the devastation and loss of lives as a result of the 7.0 magnitude earthquake. In this month of Muharram in which Imam Husayn (AS), sacrificed everything he had to champion the rights of humanity, let us unite to bring respite to the people of Haiti.

**You can donate to the Treasury Team here or via the WF([www.world-federation.org](http://www.world-federation.org)) or COEJ([www.coej.org](http://www.coej.org)) websites directly.**
