 - 4.1.2 Employ and remunerate such staff as are necessary for carrying out the work of the CIO.

The CIO may employ or remunerate a Governing Board or Management Committee member only to the extent that it is permitted to do so by clause 6 (Benefits and payments to the Governing Board, Management Committee and connected persons) and provided it complies with the conditions of that clause;

- 4.1.3 To arrange, provide and propagate religious and socio-economic functions and religious and secular education which includes promoting languages;

- 4.1.7 To work in cooperation with other Shia Ithna-Asheri Muslim Communities and other organisations;
- 4.1.8 To educate and further understand Khoja heritage, history, culture and its principles in order to pass such understanding down to successive generations; and
- 4.1.9 To do all such other lawful things as are necessary for the achievement of the objects.

5 Application of income and property

- 5.1 The income and property of the CIO must be applied solely towards the promotion of the objects.
 - 5.1.1 A Governing Board member or Management Committee member is entitled to be reimbursed from the property of the CIO reasonable expenses properly incurred by him or her when acting on behalf of the CIO.
 - 5.1.2 A Governing Board member may benefit from trustee indemnity insurance cover purchased at the CIO's expense in accordance with, and subject to the conditions in, section 189 of the 2011 Act.
- 5.2 None of the income or property of the CIO may be paid or transferred directly or indirectly by way of dividend, bonus or otherwise by way of profit to any member of the CIO.
- 5.3 Nothing in this clause shall prevent a member of the Governing Board, Management Committee or connected person receiving any benefit or payment which is authorised by clause 6.

6 Benefits and payments to Governing Board or Management Committee members and connected persons

- 6.1 No member of the Governing Board or Management Committee member or connected person may:
 - 6.1.1 Buy or receive any goods or services from the CIO on terms preferential to those applicable

to members of the public;

- 6.1.2 Sell goods, services, or any interest in land to the CIO;
- 6.1.3 Be employed by, or receive any remuneration from the CIO; or
- 6.1.4 Receive any other financial benefit from the CIO;

unless the payment or benefit is permitted by clause 6.2 or authorised by the court or the Charity Commission. In this clause, a financial benefit means a benefit, direct or indirect, which is either money or has a monetary value.

6.2 Scope and powers permitting Governing Board or Management Committee members or connected persons' benefits.

- 6.2.1 A Governing Board or Management Committee member or connected person may receive a benefit from the CIO as a beneficiary provided that it is available generally to the beneficiaries of the CIO.
- 6.2.2 A Governing Board or Management Committee member or connected person may enter into a contract for the supply of services, or of goods that are supplied in connection with the provision of services, to the CIO where that is permitted in accordance with, and subject to the conditions in, sections 185 to 188 of the 2011 Act.
- 6.2.3 Subject to clause 6.3.1 a Governing Board or Management Committee member or connected person may provide the CIO with goods that are not supplied in connection with services provided to the CIO by a Governing Board or Management Committee member or connected person.
- 6.2.4 A Governing Board or Management Committee member or connected person may receive rent for premises let by the Governing Board or Management Committee member or connected person to the CIO. The amount of the rent and the other terms of the lease must be reasonable and proper. The Governing Board or Management Committee member concerned must withdraw from any meeting at which such a proposal or the rent or other terms of the lease are under discussion.
- 6.2.5 A Governing Board or Management Committee member or connected person may take part in the normal trading and fundraising activities of the CIO on the same terms as members of the public.

6.3 Payment for supply of goods only - controls

 - (a) The amount or maximum amount of the payment for the goods is set out in a written agreement between the CIO and the Governing Board or Management Committee member or connected person supplying the goods (the supplier);
 - (b) The amount or maximum amount of the payment for the goods does not exceed what is reasonable in the circumstances for the supply of the goods in question;
 - (c) The other Governing Board or Management Committee members are satisfied that it is in the best interests of the CIO to contract with the supplier rather than with someone

who is not a Governing Board or Management Committee member or connected person. In reaching that decision the Governing Board or Management Committee members must balance the advantage of contracting with a Governing Board or Management Committee member or connected person against the disadvantages of doing so;

- (d) The supplier is absent from the part of any meeting at which there is discussion of the proposal to enter into a contract or arrangement with him or her or it with regard to the supply of goods to the CIO;
- (e) The supplier does not vote on any such matter and is not to be counted when calculating whether a quorum of Governing Board or Management Committee members is present at the meeting;
